# ABOUT THE PROJECT 07

Finance Think - Institute for Economic Research and Policy in Skopje, in partnership with the Change Management Center, is building a web platform where one place will have information about domestic and multinational companies in the country. The platform will enable self-promotion of companies, easier access to information and interconnection of companies.

The platform is part of the project "Bridging the gaps between multinational companies and domestic small and medium enterprises in Northern Macedonia", financially supported by the European Union.

More information at: [kompanii@financethink.mk](mailto:kompanii@financethink.mk)

A large industrial photograph showing workers in a factory setting. In the foreground, two workers wearing yellow hard hats and blue uniforms are working on a long, glowing orange metal beam. One worker is standing and holding a tool, while the other is crouching. In the background, there are large industrial structures, pipes, and windows. The lighting is dramatic, with strong highlights and shadows.
